 BRISTOL EBINGER

OUR DIFFERENTIATORS

Why clients choose us

Asset-Backed Specialty

We specialize in recruiting top-tier talent for the public & private asset-backed markets and are strategic partners for clients focused on elevating their talent acquisition strategies.

Our Professional Network

Our connectivity with individuals and teams focused on structured credit & asset-backed finance allows us to stand apart from others. For over 25 years, we have built partnerships with premier institutional clients & industry professionals.

Founder-led Engagement

With Bristol Ebinger, you will engage directly with the firm's managing partners. As we represent you in the market, your company's brand and reputation will be at the forefront.

About Us

Since 2003, our NYC-based executive search firm has focused on helping our clients hire leaders in structured credit, private asset-based finance, specialty finance, and other asset classes within the public and private credit markets. We've earned the trust of financial institutions by consistently delivering exceptional talent tailored to their unique needs.

Our commitment to excellence and fostering meaningful relationships guarantees that every placement exceeds expectations, promoting accelerated and sustainable growth.

OUR FOUNDING PARTNERS

Helping clients achieve their talent acquisition goals.

Nick and Bill have spent over two decades in the executive search industry, focusing on structured credit and asset backed finance professionals.

Unlike traditional recruiting agencies, Nick and Bill take a personalized and bespoke approach that fosters authentic and meaningful client partnerships. They go above and beyond to understand your needs and develop a tailored executive search strategy to help you find the ideal candidate(s) to drive your organization's mission forward.
